

# Pikkujärki

## Description

With the Giga Pikkujärki subscription, you can make calls, send messages, and read emails with ease. It includes unlimited 4G internet. The maximum internet speed is 50 Mbit/s. The monthly price includes unlimited internet in Finland, the Nordic countries, and the Baltics. Comes with a 40 GB/month EU data package.

## Terms

Contracts made through distance selling have a 14-day cancellation period. The order is subject to the special terms and conditions for mobile subscriptions of Giga Mobiili Oy and the general terms and conditions of Giga Mobiili Oy.

## Calls and messages

Unlimited calls and messages in Finland, the Nordic countries, and the Baltic countries.

Calls, text messages, and multimedia messages in EU and EEA countries are charged at domestic rates when you call or send messages to standard-rate Finnish numbers in Finland and other EU and EEA countries.

The monthly fee does not include calls or text or multimedia messages to service numbers, national subscriber numbers or from your home country to abroad. Calls and messages from Finland to abroad are always billed according to a separate price

list. Calls to national subscriber numbers (formerly known as access numbers) are charged only at the mobile call charge. Calls to service numbers are charged at the mobile call charge in addition to the service fee. Calls made outside the EU are charged at the international call rate plus the mobile call charge.

## **EU data package**

40 GB/month

## **Unlimited 4G internet**

In Finland, the Nordic countries, and the Baltics. 50 Mbit/s, no data cap

## **Free additional service**
