

Giga Loan Device (Smartphone)

Loan Device Service

The loan device service is available to all Giga Mobile subscribers. The loan device provided by the service is only available for use with a valid Giga Mobile subscription.

Description

- Covers smartphone rental
- The phone may not correspond to the customer's current phone
- Choice of phone with Android or iOS operating system
- Available only from Gigantti stores
- Intended for temporary, short-term use, e.g. while your phone is being repaired or while you are waiting for a new phone, however no longer than [x weeks/months]

If the loan device is not returned at the end of the loan period or is returned broken, Giga Mobiili reserves the right to charge the subscription customers the value of the loan device.
